## About SAC...

The mission of the Student Advancement Committee to the FCNS school is to foster a good working relationship between the faculty and the students. Our goal is to thereby enhance the educational experience.

In order to obtain this goal, our responsibilities are to:

- Identify issues of significance to the students and bring to the attention of the FCNS chair and faculty

- Recognize excellence in undergraduate teaching
- Identify students to serve on school, college, and university committees

- Serve as ambassadors for the school
- Coordinate activities that benefit FCNS students and organization

- Facilitate resolution of student grievances

- Develop unity/identity among FCNS majors and pre-majors

- Serve as a source of accurate information for FCNS majors and faculty

*The Student Advancement Committee is a great way to get involved on campus!*

Serve as a source of accurate information for FCNS majors and faculty and an Ambassador

By attending SAC meetings and functions you'll be learning about the most up-to-date information within the department. Whether it's concerning classes, registration, even graduation information, SAC is a great organization to be involved in for the most

current information in your area of study.

With SAC, you will serve as a source of accurate information to your fellow classmates and can contribute your information to the organization.

Our newsletters, bulletin boards, mentoring programs and special functions allow SAC to help

FCNS students not only become familiar with our organization, but with all programs FCNS offers, and we give you excellent networking opportunities, all in turn, sending you off with information about NIU, FCNS, and much more.
